* Please sign Fish liability clause

Fish Liability Clause

All Pondering Waters techs will use the utmost care and respect while netting and reacclimating of your fish and other pond life both in and out of the water feature. Do to the delicate nature of the procedure, Pondering Waters can not be held responsible for any unusual mishappenings such as scratches, cloudy eyes, ulcerations, awakening of any parasites and or other medical problems, or loss of life. Pondering Waters does clean our equipment after every use to minimize the risk of transporting any parasites or disease from one pond to the next.

Thank You
Jeff Michaels
